

Dear FCC:

The K-Love Network of Rocklin, CA serves us as residents in Wilson, NC. We are able pick up K-LOVE when we are out of range of our local carrier and it is a relief to get it. In a world of shock jocks, where nearly anything can be put on the air, we need a station that is uplifting and encouraging. Too many stations are pure negative trash and would lead a weaker listener to commit suicide. We are relieved to listen to some of our favorites pastors and programs on K-LOVE, i.e. Focus on the Family-Dr. James Dobson, Crown Ministries-Money Matters, Turning Point-PhD David Jeremiah.

We do not want K-LOVE to be displaced by an LPFM broadcaster providing other programming. Do not allow this to happen!

We believe that the service provided by K-LOVE is in the public interest.

My (Steve speaking) wife is asking me to keep this brief, so I will. In the most sincere tone possible, we are asking that you, the FCC, allow K-LOVE to continue to broadcast and not to allow LPFM to take priority over our FM translator services!

Respectfully,

Steven & Tracie Barnhart
